June 1, 2021

Dear Member:

We want to inform you of a change to our pharmacy program.

### **Prescription Drugs**

Your prescription benefits are provided by a Pharmacy Benefits Manager, or PBM. We partner with Kentucky Medicaid to provide this benefit.

On July 1, 2021 we will start to work with a new PBM, MedImpact. Your pharmacy benefit will remain the same.

There are three things you should know:

1. There will be no change in the prescription drugs that are covered at this time. Over the counter drugs that are covered may change. If there is any change, you will get a letter.
2. You can use the same pharmacy but can also use any Medicaid enrolled pharmacy.
3. If your prescription needed a prior approval, a new one is not needed until your current prior approval expires.

### **What do you need to do?**

Watch your mailbox for your new ID card. Take your new ID card with you when you go to the pharmacy. If you forget your new ID card you can still go to the pharmacy. Tell them you have Medicaid.

### **Questions**

Find more information about the change on our website at [www.wellcareky.com](http://www.wellcareky.com). If you have questions about this change prior to July 1, please contact us at **1-877-389-9457**. TTY users may call **711**. You can reach us Monday through Friday, 7 a.m. to 7 p.m. EST. After July 1, you may call MedImpact at **1-800-210-7628**.

Sincerely,

WellCare of Kentucky

WellCare of Kentucky complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex.

ATTENTION: If you speak English, language assistance services, free of charge, are available to you. Call **1-877-389-9457** (TTY: **711**).

ATENCIÓN: Si habla español, tiene a su disposición servicios gratuitos de asistencia lingüística. Llame al **1-877-389-9457** (TTY: **711**).

注意：如果您使用繁體中文，您可以免費獲得語言援助服務。請致電 **1-877-389-9457** (TTY: **711**)。

### **Prescription Drugs**

Your prescription benefits are provided by a Pharmacy Benefits Manager, or PBM. We partner with Kentucky Medicaid to provide this benefit.

On July 1, 2021 we will start to work with a new PBM, MedImpact. Your pharmacy benefit will remain the same.

There are three things you should know:

1. There will be no change in the prescription drugs that are covered at this time. Over the counter drugs that are covered may change. If there is any change, you will get a letter.
2. You can use the same pharmacy but can also use any Medicaid enrolled pharmacy.
3. If your prescription needed a prior approval, a new one is not needed until your current prior approval expires.

### **What do you need to do?**

Watch your mailbox for your new ID card. Take your new ID card with you when you go to the pharmacy. If you forget your new ID card you can still go to the pharmacy. Tell them you have Medicaid.

### **Questions**

Find more information about the change on our website at [www.wellcareky.com](http://www.wellcareky.com). If you have questions about this change prior to July 1, please contact us at **1-877-389-9457**. TTY users may call **711**. You can reach us Monday through Friday, 7 a.m. to 7 p.m. EST. After July 1, you may call MedImpact at **1-800-210-7628**.

Sincerely,

WellCare of Kentucky

WellCare of Kentucky complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex.

June 1, 2021

Dear Member:

We want to inform you of a change to our pharmacy program.

### **Prescription Drugs**

Your prescription benefits are provided by a Pharmacy Benefits Manager, or PBM. We partner with Kentucky Medicaid to provide this benefit.

On July 1, 2021 we will start to work with a new PBM, MedImpact. Your pharmacy benefit will remain the same.

There are three things you should know:

1. There will be no change in the prescription drugs that are covered at this time. Over the counter drugs that are covered may change. If there is any change, you will get a letter.
2. You can use the same pharmacy but can also use any Medicaid enrolled pharmacy.
3. If your prescription needed a prior approval, a new one is not needed until your current prior approval expires.

### **What do you need to do?**

Watch your mailbox for your new ID card. Take your new ID card with you when you go to the pharmacy. If you forget your new ID card you can still go to the pharmacy. Tell them you have Medicaid.

### **Questions**

Find more information about the change on our website at [www.wellcareky.com](http://www.wellcareky.com). If you have questions about this change prior to July 1, please contact us at **1-877-389-9457**. TTY users may call **711**. You can reach us Monday through Friday, 7 a.m. to 7 p.m. EST. After July 1, you may call MedImpact at **1-800-210-7628**.

Sincerely,

WellCare of Kentucky

WellCare of Kentucky complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex.

MANCHESTER, KY 40744

June 1, 2021

Dear Member:

We want to inform you of a change to our pharmacy program.

### **Prescription Drugs**

Your prescription benefits are provided by a Pharmacy Benefits Manager, or PBM. We partner with Kentucky Medicaid to provide this benefit.

On July 1, 2021 we will start to work with a new PBM, MedImpact. Your pharmacy benefit will remain the same.

There are three things you should know:

1. There will be no change in the prescription drugs that are covered at this time. Over the counter drugs that are covered may change. If there is any change, you will get a letter.
2. You can use the same pharmacy but can also use any Medicaid enrolled pharmacy.
3. If your prescription needed a prior approval, a new one is not needed until your current prior approval expires.

### **What do you need to do?**

Watch your mailbox for your new ID card. Take your new ID card with you when you go to the pharmacy. If you forget your new ID card you can still go to the pharmacy. Tell them you have Medicaid.

### **Questions**

Find more information about the change on our website at [www.wellcareky.com](http://www.wellcareky.com). If you have questions about this change prior to July 1, please contact us at **1-877-389-9457**. TTY users may call **711**. You can reach us Monday through Friday, 7 a.m. to 7 p.m. EST. After July 1, you may call MedImpact at **1-800-210-7628**.

Sincerely,

WellCare of Kentucky

WellCare of Kentucky complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex.

COVINGTON, KY 41017

June 1, 2021

Dear Member:

We want to inform you of a change to our pharmacy program.

### **Prescription Drugs**

Your prescription benefits are provided by a Pharmacy Benefits Manager, or PBM. We partner with Kentucky Medicaid to provide this benefit.

On July 1, 2021 we will start to work with a new PBM, MedImpact. Your pharmacy benefit will remain the same.

There are three things you should know:

1. There will be no change in the prescription drugs that are covered at this time. Over the counter drugs that are covered may change. If there is any change, you will get a letter.
2. You can use the same pharmacy but can also use any Medicaid enrolled pharmacy.
3. If your prescription needed a prior approval, a new one is not needed until your current prior approval expires.

### **What do you need to do?**

Watch your mailbox for your new ID card. Take your new ID card with you when you go to the pharmacy. If you forget your new ID card you can still go to the pharmacy. Tell them you have Medicaid.

### **Questions**

Find more information about the change on our website at [www.wellcareky.com](http://www.wellcareky.com). If you have questions about this change prior to July 1, please contact us at **1-877-389-9457**. TTY users may call **711**. You can reach us Monday through Friday, 7 a.m. to 7 p.m. EST. After July 1, you may call MedImpact at **1-800-210-7628**.

Sincerely,

WellCare of Kentucky

WellCare of Kentucky complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex.

**ATTENTION:** If you speak English, language assistance services, free of charge, are available to you. Call **1-877-389-9457** (TTY: **711**).

**ATENCIÓN:** Si habla español, tiene a su disposición servicios gratuitos de asistencia lingüística. Llame al **1-877-389-9457** (TTY: **711**).

OWINGSVILLE, KY 40360

June 1, 2021

Dear Member:

We want to inform you of a change to our pharmacy program.

### **Prescription Drugs**

Your prescription benefits are provided by a Pharmacy Benefits Manager, or PBM. We partner with Kentucky Medicaid to provide this benefit.

On July 1, 2021 we will start to work with a new PBM, MedImpact. Your pharmacy benefit will remain the same.

There are three things you should know:

1. There will be no change in the prescription drugs that are covered at this time. Over the counter drugs that are covered may change. If there is any change, you will get a letter.
2. You can use the same pharmacy but can also use any Medicaid enrolled pharmacy.
3. If your prescription needed a prior approval, a new one is not needed until your current prior approval expires.

### **What do you need to do?**

Watch your mailbox for your new ID card. Take your new ID card with you when you go to the pharmacy. If you forget your new ID card you can still go to the pharmacy. Tell them you have Medicaid.

### **Questions**

Find more information about the change on our website at [www.wellcareky.com](http://www.wellcareky.com). If you have questions about this change prior to July 1, please contact us at **1-877-389-9457**. TTY users may call **711**. You can reach us Monday through Friday, 7 a.m. to 7 p.m. EST. After July 1, you may call MedImpact at **1-800-210-7628**.

Sincerely,

WellCare of Kentucky

WellCare of Kentucky complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex.

**ATTENTION:** If you speak English, language assistance services, free of charge, are available to you. Call **1-877-389-9457** (TTY: **711**).

**ATENCIÓN:** Si habla español, tiene a su disposición servicios gratuitos de asistencia lingüística. Llame al **1-877-389-9457** (TTY: **711**).

MORGANFIELD, KY 42437

June 1, 2021

Dear Member:

We want to inform you of a change to our pharmacy program.

### **Prescription Drugs**

Your prescription benefits are provided by a Pharmacy Benefits Manager, or PBM. We partner with Kentucky Medicaid to provide this benefit.

On July 1, 2021 we will start to work with a new PBM, MedImpact. Your pharmacy benefit will remain the same.

There are three things you should know:

1. There will be no change in the prescription drugs that are covered at this time. Over the counter drugs that are covered may change. If there is any change, you will get a letter.
2. You can use the same pharmacy but can also use any Medicaid enrolled pharmacy.
3. If your prescription needed a prior approval, a new one is not needed until your current prior approval expires.

### **What do you need to do?**

Watch your mailbox for your new ID card. Take your new ID card with you when you go to the pharmacy. If you forget your new ID card you can still go to the pharmacy. Tell them you have Medicaid.

### **Questions**

Dear Member:

We want to inform you of a change to our pharmacy program.

### **Prescription Drugs**

Your prescription benefits are provided by a Pharmacy Benefits Manager, or PBM. We partner with Kentucky Medicaid to provide this benefit.

On July 1, 2021 we will start to work with a new PBM, MedImpact. Your pharmacy benefit will remain the same.

There are three things you should know:

1. There will be no change in the prescription drugs that are covered at this time. Over the counter drugs that are covered may change. If there is any change, you will get a letter.
2. You can use the same pharmacy but can also use any Medicaid enrolled pharmacy.
3. If your prescription needed a prior approval, a new one is not needed until your current prior approval expires.

### **What do you need to do?**

Watch your mailbox for your new ID card. Take your new ID card with you when you go to the pharmacy. If you forget your new ID card you can still go to the pharmacy. Tell them you have Medicaid.

### **Questions**

Find more information about the change on our website at [www.wellcareky.com](http://www.wellcareky.com). If you have questions about this change prior to July 1, please contact us at **1-877-389-9457**. TTY users may call **711**. You can reach us Monday through Friday, 7 a.m. to 7 p.m. EST. After July 1, you may call MedImpact at **1-800-210-7628**.

Sincerely,

WellCare of Kentucky

WellCare of Kentucky complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex.

**ATTENTION:** If you speak English, language assistance services, free of charge, are available to you. Call **1-877-389-9457** (TTY: **711**).

**ATENCIÓN:** Si habla español, tiene a su disposición servicios gratuitos de asistencia lingüística. Llame al **1-877-389-9457** (TTY: **711**).

**注意：**如果您使用繁體中文，您可以免費獲得語言援助服務。請致電 **1-877-389-9457** (TTY: **711**)。
