

**DATE:** March 1, 2022  
**TO:** Commonwealth of Kentucky Medicaid Pharmacy and Prescriber Networks  
**FROM:** MedImpact Healthcare Systems  
**Subject:** **Botulinum Toxins**

---

Effective April 1, 2022, Kentucky Medicaid will reimburse botulinum toxins **ONLY** through the MEDICAL benefit.

**Affected Drugs: Botulinum Toxins:**

**Botox (onabotulinumtoxinA)**  
**Dysport (abobotulinumtoxinA)**  
**Myobloc (rimabotulinumtoxinB)**  
**Xeomin (incobotulinumtoxinA)**

For service dates after March 31, 2022, if a member is enrolled in an MCO, Prior Authorization must be sought through the applicable MCO's Medical benefit. If a member is not enrolled in an MCO (i.e. fee for service), please bill via the Department of Medicaid Service's MEDICAL benefit.

If you have any questions about the transition of botulinum toxins to a Medical benefit only, **please contact the appropriate MEDICAL benefit provider:**
