Subject: KY Medicaid Vaccine List Reminder

Effective **October 6, 2023**, an updated list of vaccines was released.

For access to the comprehensive list of vaccines covered under the Kentucky Medicaid MCO Single PBM Program, please visit our Provider Portal (<https://kyportal.medimpact.com/provider-documents/drug-information>).

As a reminder, the Kentucky Medicaid MCO Single PBM Program has expanded its pharmacy benefit vaccine coverage to include Abrysvo and Arexvy for managed care members. Pharmacy providers who are qualified to provide and administer vaccines may submit claims for the covered vaccines.

Pharmacies must submit vaccine claims with a Professional Service Code (NCPDP Field# 440-E5) of 'MA' – Medication Administration as well as an Incentive Amount (NCPDP Field# 438-E3) as described in MedImpact's Medicaid Payer Sheet.

| NCPDP Field# | NCPDP Field Name | Required Submitted Value |
|--------------|---------------------------------|---|
| 438-E3 | Incentive Amount Submitted | Up to state allowed administration fee amount |
| 440-E5 | Professional Service Code (PSC) | MA – Medication Administration |
